

## Quest Diagnostic Updated Information 4-23-2020 Regarding Antibody Testing

Good Afternoon!

I hope you and yours are doing well. In case you had not heard the news yet, I wanted to make you aware that Quest has launched antibody testing this week. We will have this available through physicians offices and PSC locations and we have return to work programs in development for when things begin to move that direction.

Here is the link to the press release <https://newsroom.questdiagnostics.com/2020-04-21-Quest-Diagnostics-Begins-to-Perform-COVID-19-Antibody-Testing>

We also have increased capacity, as I mentioned last week, and now also improved turn around times. For more information on this, please click here: <https://liveshareeast3.seismic.com/i/Dv8E12xAxr0qaJtz9vuTc0S0G7n8MqdTpp0xvPeOymnngPtK DopxeuAWdHF8MmmfH5qUa3mOKXDD53ABL9qkTAEQUALSIGNEQUALSIGN>

Please feel free to share this with your extended teams. If you have any questions, please let me know.

Well regards,

**Amber D. Gillespie**  
Health Plan Account Manager – Southwest Region
